We have 44 students this year, so a total of 660 hours were completed over this summer in the community.
- Football Teams - Participate in Brodeur Road Race, some help with Pop Warner coaching and the Pop Warner jamboree.
- The softball team is involved in the community in many ways. Last Spring they visited the elderly home in Auburn to have dinner and play games. Every year the teams (both baseball and softball) run youth clinics that reach out to children of all ages in the town.
- Art students have volunteered for face painting at events like the Klepto 5k and the Duck Race, as well as submitting to numerous shows and helping with exhibits such as the district show. - The Boys and Girls Track and Field teams hold an annual "Tracksgiving" celebration in February, where they celebrate the track season, but also hold a canned food drive. The proceeds are donated to AYFS. This event is attended by approximately 150 people; athletes and their families, so the can drive has yielded great results over the past couple of years.
- International Club hosts a booth at Homecoming that is available to the greater Auburn community and also organizes the International Luncheon for the PD Day in March. This serves the APS community. Additionally, the International Festival, held in April, is an event that encourages cultural awareness among the AHS community.
