Student Representatives' Report: Ryan Garabedian and Alli Schoenfeldt

Ryan provided a report on behalf of Ali Schoenfeldt who had a conflict and could not be in attendance: the Rockets-to-Rockets Club were attending a semi-formal at Algonquin High on Friday, March 1st; the Valentine's Day fundraiser had gone well; students have applied for and are being vetted for acceptance into the National Honor Society, the Induction Ceremony being scheduled for March 28th; and finally, he noted for Ali that although having an abbreviated February vacation was initially "kind of painful," it worked out well allowing for a long weekend in March for the Music Department's trip to Disney and the Ski Club's trip to Colorado.

Ryan reported that the last Math and Quiz Show competitions had recently been held; the Model UN has two more competitions in mid-March and early April; a Spirit Week led up to the abbreviated February break with a winter carnival having been held on Friday, February 15th which included a student body versus staff volleyball game.

School Calendar – 2019-2020

Dr. Brunelle, as she does annually, put together a draft of the FY 2019-2020 school year calendar with the Leadership Team's input. She was seeking the Committee's approval of it. Mrs. Harrington stated that a few concerns had been brought up about the abbreviated February break and she would like to see updated survey data from staff and parents. Mrs. Holloway stated that the teachers she had heard from were not happy with an abbreviated break, especially if they live outside of Auburn and their children are on a different schedule than they are. She also heard that AHS students were collecting signatures on a petition to go back to having the full week off. After some further discussion it was left that Dr. Brunelle would draft another survey for the School Committee's approval on March 6th that would be sent out to both parents and staff. Mr. Scobie cautioned sending it to students at AHS too.

The Committee also requested data on absenteeism from February 20th to 22nd and a data comparison of other neighboring districts calendars. Dr. Brunelle stated that she would have that information for the next meeting.

Master Plan – Auburn Public Schools

Dr. Brunelle provided a copy of the School Department's submission for the Master Plan document that a team is creating for the Town. She noted that the document reflects our current conditions, progress

and difficulties, as well as future needs that will arise as we continue to expand and grow in terms of students and programming. It was her recommendation that we consider having an enrollment projection study done and to that end, with the Committee's permission, she will solicit bids and return at an upcoming meeting with the cost to do so.

Mrs. Kauffman made a motion to authorize the Superintendent to solicit bids to conduct an enrollment projection to help determine future enrollment that may impact space and other needs; Mrs. Holloway seconded the motion and it was unanimously approved.

Governor Baker's FY 2020 Budget

Mrs. Harrington made a motion to approve the revised FY 2020 draft budget of \$26,934,157 which reflects a dollar increase of \$1,084,595 and a percentage increase of 4.2% over the approved FY 2019 budget; Mrs. Holloway seconded the motion and it was unanimously approved.

Dr. Brunelle shared that she had recently been contacted by Barbara Hansberry from the MSBA who asked if we would be willing to participate in and host a training program that the MSBA and the Inspector General's MCPPO program have collaborated on regarding partnering with the MSBA to building a new school. Jack McCarthy, Executive Director of MSBA, suggested to the group that Auburn would be an ideal district to use for the theme this year which is "building operations and issues with new school operating systems."

The District has agreed to participate and the date for this day of training is scheduled for May 1, 2019.

Strategic Plan January 2019 Update
