

CONNECTION'S ACADEMY EAST

BEHAVIORAL INTERVENTION SERVICES (BIS)

PROGRAM INFORMATION

OUR MISSION

- To establish and maintain an atmosphere of mutual respect and excitement about learning for all children, especially those with emotional and behavioral disorders. These are students that often lack the basic academic, behavioral, and social/emotional skills needed to be successful within, and outside, of school.

PROGRAM GOALS/RESPONSIBILITIES

- Providing education for all school Staff Members regarding a school wide, behavioral management system which focuses on prevention of problematic behaviors, and early interventions, in order to ensure a positive learning environment.
- Ensuring building wide compliance with the school discipline code, rules boundaries and limitations.
- Working with students who are referred to the Behavioral Intervention Services Office in quick, clear and appropriately manner.
- Coordinating follow-up communications (processing) with the referring staff member and/or parent.
- Entering and reviewing information into the school's data base for teachers, administration, and therapists to review.
- Providing professional support to all staff members around issues of school climate and management.
- Maintaining a collaborative environment, with the guidance and administration team, to focus on the most successful ways serve our students and support our staff.
- Participating in school events both athletic and educational.
- Presenting at Parents' Group events to educate Parents/Guardians on behavioral interventions, behavioral contracts, and maintaining a structured, nurturing environment in the home.
- Completing any additional responsibilities as assigned by the administrative team.
