EMERGENCY CLOSING INFORMATION

EMERGENCY CLOSING CENTER WEBSITE

Use this website to get school closing information:
<http://www.emergencyclosingcenter.com/ecc/home.jsp>.

On this website, you can also sign up for e-mail closure notifications for your child's home school district and Connections Organization School (Connections Day School, South Campus, New Connections Academy, and Connections Academy East).

IMPORTANT INFORMATION:

- Connections Organization Schools **rarely closes for a Snow Day**. However, if a Snow Day is called:
 - Your school will be listed on the Emergency Closing Center website (above).
 - All parents will be contacted by their child's homeroom Teacher to inform them that school is closed.

- On days when **school is open, but your child's school district has a Snow Day**, please be aware that your child's school-sponsored transportation will be suspended. However, students MAY be brought to school, and picked up at the end of the day, by a parent/guardian. If your child does not come to school when their school district is closed, s/he will have an excused absence for the day.

- Connections Organization Schools rarely need to **close school early** due to increasingly dangerous travel conditions and/or another emergency, but if we do:
 - All parents will be contacted by their child's therapist or teacher.
 - Students will be sent home early on their regular school sponsored transportation.
 - Given this protocol, it is imperative that we have the most up-to-date contact information for parents, guardians and all emergency contacts.
 - In addition, please make sure your child has a way into your home, and will be appropriately supervised in the event of such an emergency.
