

**Dismissal**

Students dismissal time is 2:45 p.m. and students are escorted by their teachers for dismissal. During dismissal, students are walked to their transportation by staff members. When picking up your child, we ask that parents go through the automobile pick up line or enter the building to sign-out their child.

**Early Release Thursdays**

Every Thursday, students release at 1:45 p.m. while the VCA team works to improve the student's experience through staff development.
