

OUR DEDICATED STAFF.....

Under the leadership of our Founders, Principals, and Senior Clinical Psychologists, The Connections Organization Schools blend academic, clinical, and behavioral elements into our milieu to best serve our students' needs. Our staff are vital to the fostering of our mission to promote the academic and emotional success of children with special needs. The Connections Organization Schools hold high standards for staff member to share the strong values of the organization. Our driven and steadfast teams devote themselves to our students' successes everyday. Each schools' leadership team works directly with staff to encourage a level of passion, creativity, empathy, and commitment to student growth that is unmatched.

The Connections Organization Schools promote motivation and excellence through a variety of staff development opportunities. These include extensive trainings in new curriculums, technological advances in the classroom, theory on clinical bases for behavior, and various classroom management techniques, to name a few. Staff members also have access to extensive resources to meet the educational and emotional needs of all students, including in-house consultants in Transition, Reading, and Mathematics.. The dynamic and well-rounded programming for each student is due to our staff's broad array of expertise including:

- Psychology
- Psychiatry
- Special Education
- Art Therapy
- Music Therapy
- Occupational Therapy
- Speech and Language Pathology
- Education
- Physical Education
- Nursing
- Family Therapy and Support
