

Entering the School

Students arrival time begins at 8:15 a.m. Our morning arrival procedures are put in place for the safety of the children. Check in procedures include checking their belongings, ensuring the safety of their person, and assessing their readiness to learn. It is unsafe for our children to enter the building in the morning from the parking lot while vehicles are moving through this area so all students are dropped off by bus, cab, or parents at the students entrance. Staff members are there to greet students upon arrival and monitor their safety walking into the building.
