*Accidental Death & Dismemberment benefits are included for all active and retired employees age sixty-five(65) through sixty-nine(69).

**Annual Earnings for those academic employees who work less than twelve months of the calendar year shall be the salary for that period of time required by their regular job duties as defined at the beginning of the academic year. For retired employees "annual earnings" means that salary level for which benefits were provided as an active employee on the last day of the month immediately preceding the actual last day of work.

***Total includes both state and employee share of the premium.
