RE: "Deduction-Free" Third Paycheck in March

The third pay of March 2018 is a "deduction-free" pay check. Because most of your deductions are based on 24 pays, rather than 26 pays, there are normally 2 "deduction-free" pay checks each year. You may, therefore, see a few more dollars in your March 30, 2018 pay check. There are a small number of deductions that will come out of this pay and they are: retirement, 403(b), 457 (deferred compensation).
