LCTCS FACILITIES CORPORATION

LCTCS Facilities Corporation
Board Meeting Minutes
Thursday, October 11, 2018 4:00 p.m.

1-877-810-9415; Access Code: 6499147#

A duly called meeting of the Board of Directors of LCTCS Facilities Corporation was conducted on Thursday, October 11, 2018, commencing at 4:00 p.m. Directors of the Corporation joined the meeting by phone: Chairman Stephen Smith, Director Gene Thibodeaux, and Director Billy Montgomery. Together, they represented a quorum of the Board. Other attendees included: Monty Sullivan, Joe Marin, Anthony Brown, Brian Budd, Gretchen Lindquist, John Mayeaux, Matt Kern, and Michele Nardini.

1. Welcome and Approval of the July 19, 2018 and September 20, 2018 Minutes

Chairman Smith welcomed the group and called the meeting to order at 4:08 p.m.

On motion by Director Thibodeaux, and seconded by Director Montgomery, the Board voted to approve the minutes of July 19, 2018 and September 20, 2018, as presented. The motion carried.

*Note to file: a previous agenda inaccurately listed an August 30, 2018, meeting that did not occur. The Board was presented with July 19, 2018, meeting minutes for review and approval. Approval of the July 19, 2018, minutes is listed on this agenda for proper approval.

2. Phase III of Act 360 Bond Sales Discussion

LCTCS System President, Monty Sullivan, provided an update on Phase III of the Act 360 Bond Sales. He thanked the board members and team for their dedication to this system and making sure the work gets done. Governor John Bel Edwards recently contacted Dr. Sullivan to talk about the next round of projects. The Governor remains committed to furthering the work of this corporation and fulfilling the promises of Act 360. The Governor recently authorized the Delgado Health Care Campus and Culinary Project, the Ruston Campus at Louisiana Delta Community College, the SOWELA Hospitalities and Gaming Facility, and the Westbank Campus at Delgado. All told, a huge investment by the state even through the budget struggles. It is the hope that bond sales will occur in late November or early December to move the projects forward. This leaves us with three projects – Nunez Community College, Fletcher Technical Community College and Delgado Community College Metairie Campus that remain to be funded, but it is Dr. Sullivan’s hope these will be fulfilled sometime in the future.
3. Executive Overview and Board Approval of Resolution Authorizing the Issuance of the Third Phase of Act 360 Bond Funding

John Mayeaux informed the Board that Sisung Securities Corporation (SSC), the Corporation’s competitively selected financial advisor, recommends the Board approve the Issuance of new Act 360 Bonds, subject to match requirements being met.

SSC expects to issue approximately $70 million of Series 2018 Bonds to finance the following Act 360 projects:

<table>

The Series 2018 Bonds are expected to be sold on or about November 15th, with closing on or about November 29th. The resolution to be approved by the Corporation authorizes the issuance of the Series 2018 Bonds and related matters.

On motion by Director Thibodeaux, and seconded by Director Montgomery, the Board voted to approve a Resolution to Authorize the Issuance of Act 360 bonds and the taking of any and all actions necessary to accomplish such in accordance with the resolution. The motion carried.

LCTCS Facilities Corporation Board of Directors

Stephen C. Smith, Chair • Senator Lambert Boissiere, Secretary/Treasurer
Representative Billy Montgomery • Judge U. Gene Thibodeaux
4. Executive Overview and Board Approval of ACT 360 Arbitrage Rebate Analyst for Act 360 Bonds

John Mayeaux reported that federal tax law and related IRS regulations require issuers of tax-exempt bonds to perform arbitrage rebate calculations to verify if any unspent bond proceeds have earned interest above the borrowing rate on the bonds. Any such excess arbitrage interest must be paid to the federal government. To comply with these tax law requirements, bond issuers engage the services of an arbitrage rebate analyst who specializes in performing such calculations.

The Act 391 Bonds were issued in three series (2009, 2010, 2011). The Bank of New York Mellon Trust Company (BONY) is the trustee for such bonds. BONY also serves as the rebate analyst for the Act 391 Bonds. BONY’s fee for performing the rebate calculations averages approximately $2,300 per bond issue per year.

The Act 360 Bonds will have been issued in three series to date (2014, 2017, 2018), and one additional series is expected in the future. Hancock Whitney Bank is the trustee for such bonds. The Corporation has not yet engaged a rebate analyst for the Act 360 Bonds. Hancock Whitney does not offer rebate calculation services in-house.

The Corporation has received a proposal from Bingham Arbitrage Rebate Services to perform the rebate calculations for the Act 360 Bonds for an average of approximately $1,800 per bond issue per year. The Municipal Advisor (Sisung Securities) believes the Bingham proposal is competitive and recommends the Corporation accept the proposal.

On motion by Director Thibodeaux, and seconded by Director Montgomery, the Board voted to approve the engagement of Bingham Arbitrage Rebate Services to perform Act 360 rebate calculations. The motion carried.
