LOUISIANA COMMUNITY AND TECHNICAL COLLEGE SYSTEM POSITION ANNOUNCEMENT

Animation Specialist – Louisiana FastStart

The Louisiana Community and Technical College System (LCTCS) is now taking applications for an Animation Specialist position to be domiciled in **Baton Rouge, Louisiana** for the LED FastStart Initiative.

SUMMARY:

LED FastStart, Louisiana Economic Development's single-source, workforce solutions provider is building a world-class team to support Louisiana's workforce for new and expanding companies. Our primary focus is to assist companies in selection and training. We work with each company and develop and deliver customized training programs for their processes. We are in partnership with the Louisiana Community and Technical College System (LCTCS) and Louisiana Workforce Commission (LWC). Our curriculum will be delivered during pre and post employment and enable the company to launch a new operation or to expand an existing operation. Our commitment to our customers is 24/7 responsiveness through value added training materials and programs.

The Animation Specialist will be responsible for planning, analyzing, and creating animated visual solutions to create/enhance training materials. This will require producing photo realistic 3D motion graphics of training materials using a variety of tools and software. The ideal candidate will create animations and 3D models as part of daily responsibilities. The Animation Specialist will create special effects using photography, videography and computer-generated models for use in products for e-learning training material delivered via web-based training programs, intranet systems, and other digital media platforms.

Duties include, but are not limited to the following:

- Create 3D models, animations, and graphics to support innovative training materials
- Coordinate timelines and schedules with internal customers, and external customers for 3D production and delivery
- Work with team members to ensure quality, accuracy, and effectiveness of the product
- Resource management

Animation Specialist-LED FastStart 01.20.2020

- Records management
- Data collection and reporting for completed projects
- Other duties as assigned

Minimum Qualification Requirements:

A bachelor's degree or higher in Fine Arts or a minimum of five (5) years experience with a professional portfolio demonstrating advanced design skills and experience in animation to support e-learning products as well as video products. An extensive working knowledge of products such as Maya, 3D Studios Max, Cinema 4D, After Effects, Premiere are requirements for this position.

Preferred Qualifications:

Ten years experience.

Physical & Environmental Requirements:

- Ability to multi-task and coordinate activities to ensure timely delivery of work production
- Ability to travel and drive own or other vehicle to various locations as needed
- Ability to carry up to 20 pounds on an as needed basis

Additional Requirements:

- Proof of education
- A valid Louisiana Driver's License
- Proof of motor vehicle insurance

In accordance with LCTCS Policy #6.036, a criminal history check will be conducted on all new hires. LCTCS participates in the federal E-Verify system for identification and employment eligibility purposes.

Compensation:

Compensation will be commensurate with education and work experience.

Application Instructions:

Applicants for this position should submit 1) a cover letter that addresses the outlined job responsibilities, 2) a resume, and 3) the names and contact information of 3 professional/work-related references to:

Human Resources Specialist
Louisiana Community and Technical College System,
265 S. Foster Drive, Baton Rouge, LA 70806 or
