

Cleco Power of a Promise Scholarship Application

The Cleco Power of a Promise Scholarship will be awarded to two economically disadvantaged, female and minority students in the Central Louisiana area. The scholarships will cover full tuition costs, books and a stipend for incidentals for attendance at Central Louisiana Community College (CLTCC) Alexandria location. In turn, the selected students will work 10 hours a week at Cleco's Brame Energy Center to gain hands-on experience and further ready the students for a successful entry into the workforce. Upon successful completion of the program, graduates with demonstrated skills will have a high probability of receiving a full-time position at a power station within Cleco's operating fleet.

Please see the Power of a Promise Guidelines and Administration of Funds at www.cltcc.edu for more details.
