CHILD CARE

Extended childcare is available for students between the hours of 7:30-9:00 a.m. and 3:00-5:50 p.m. There is a ten-minute grace period from 5:50-6:00 p.m. Any service provided after 6:00 p.m. is subject to a late charge of \$5.00 per minute. Fees are as follows:

- \$12.00 per hour
- \$35.00 maximum per day
- \$490.00 per month

Please read the attached summer school information, complete the form, and return it to school along with a deposit check. Requests will be made on a first come - first served basis and spaces are limited.

2020 SUMMER PROGRAMS SAFETY PROCEDURES

The following safety procedures are being implemented and will be put in place beginning June 22nd.

- Temperatures of all children and staff will be taken daily with a no-contact infrared thermometer as they enter campus. (Anyone with a temperature of 100.4 degrees F or higher will not be allowed to enter the facility.)
- Parents will drop off and pick up their children curbside. (Toddler and pre-primary students will use the front door entrance; transition and elementary students will use the playground entrance.)
- Anti-bacterial wipes will be used throughout the day to clean all surfaces, and an anti-bacterial spray will be used at end of each day, both indoors and out.
- There will not be any community snacks or meals served at school, however, children may bring their own food and beverages. There will be no food sharing between children.
- Floor decals will be used to insure proper spacing of the children during circle time.
- Masks will be worn by all adults during school hours but are optional for students.
- Frequent handwashing throughout the day will be conducted, as well as the use of hand sanitizer as needed.
- Protective clear plexiglass barriers measuring 20" by 18" will be utilized on tables and desks to allow for safe social interaction.
- The school air filtration system ensures continual circulation and air purification. In addition, overhead oscillating fans will run throughout the day.
- Social distancing will be reinforced throughout the day through role play and frequent reminders.
- All manipulatives used throughout the day will be sanitized after each use.
- Staggered outdoor play schedules will reduce the number of children in the same area at one time.
- All personal items must be labeled and kept separate from others. Personal toys should be kept at home.

As everything unfolds with this pandemic, we are prepared to keep these procedures in place in the fall.

Thank you for your understanding and support!

Claudia Krikorian and Shane Hickson
