Text and Workbooks List and Materials Fee

Below is the set of books and materials the school provides your child this year. We order a standard set of books because assignments will be given by page number and it is important that all students are working from the same editions. A student may reuse a social studies textbook* from an older student or sibling. The materials fee also covers the cost per student of the IXL online program. You may pay the materials fee in the office during the first week of school.

Total cost is \$200 without the social studies textbook and \$280 with the textbook.
