

EPPING SCHOOL DISTRICT
BUSINESS ADMINISTRATOR'S REPORT
November 16, 2017

Forecast – The preliminary expense forecast for 2017-2018 shows a positive balance of \$380,390. The bulk of the savings is the change in personnel and benefits in Regular and Special Education, health insurance was budgeted at a guaranteed maximum of 8% and actually came in at 4.5% for a savings of approximately \$190,000. Health and Dental insurance is now encumbered for the staff that are in place. We currently have several open positions, so this number will change as staff is hired.

This forecast assumes that all departments will spend their budgeted supplies, books, software, equipment, etc.

The forecast will continue to change as the year progresses. Changes in placements and to IEP's throughout the year could lead to increased or reduced special education costs.

The Revenue forecast is showing a negative \$128,241. This is due to \$113,517 less Catastrophic Aid (now referred to as Special Education Aid by the Department of Education), \$53,664 less in Adequacy (per the State estimate at this time), \$18,749 additional tuition revenue from students attending from other towns.

Respectfully submitted,

Bonnie Sandstrom

*Food service is an enterprise fund (self-sustaining) and any funds left at year end are retained in food service, to cover future food service equipment/repairs.

**Federal and other grants are reimbursed for expenses as they are incurred for a net zero balance. Any funds remaining at the end of the grant are returned to the grantor.
