

# How to Login and Submit a Request

<https://www.communityuse.com/default.asp?acctnum=816370499>

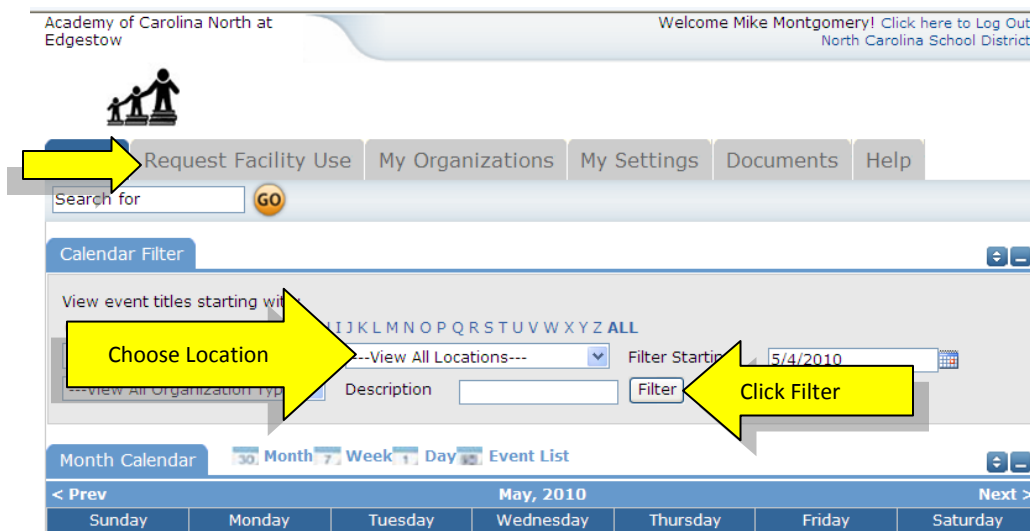

At the top of the page, you'll see a link to Login to Request Facility Use. Click here to login.

If you have already registered, enter your login name and password into the form and click Login:

When you login, you will start on the Home tab. Here you can view the calendar. If no events are showing, be sure you have a Location selected. Anytime you make a filter choice on the Calendar, be sure to click the Filter button.

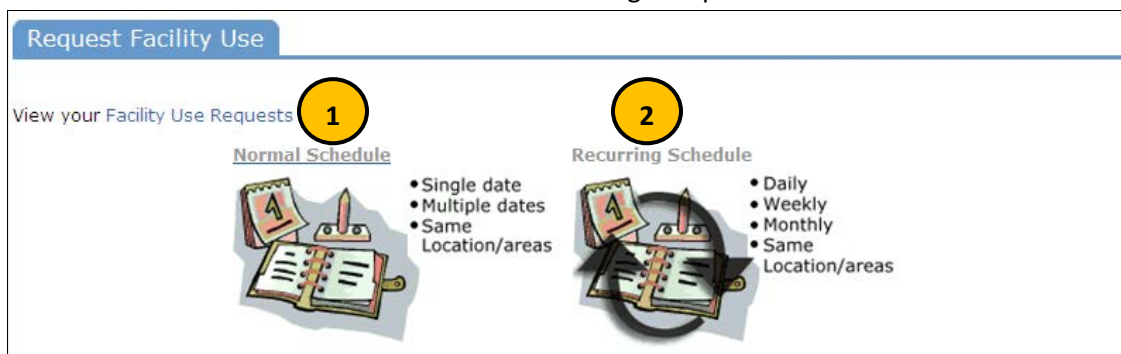

You will also see some tabs at the top of the page. To begin making a request choose Request Facility Use:

Note: if this is your first time making a request through CommunityUse, you will be asked to read the terms and conditions that the district provides. You will also be asked to verify you agree to these terms each time you submit a request.

You have two forms to choose from when submitting a request.

1. The Normal Schedule Form is the easier to use. It will allow you to request up to 20 events at one time. All of your events should be in the same room(s) at the same time over different days.
2. The Recurring Schedule form will allow even more events. You can choose up to 100 events with this form, and the events should be in the same room(s) at the same time over different days – and these days will happen on a recurring basis (e.g. every Monday and Wednesday for a month, or every Sunday for a year, etc.)

Let's start with a **Normal Schedule**.

You will be asked to fill in some required fields. These are indicated with an orange vertical line

You can also 'hide' sections of the page by clicking on the  icon. You can use this feature to help minimize scrolling and to keep track of sections of the request page you have already completed. The

 icon allows you to jump to different sections of the page.

Check Availability

This feature will look for conflicts with events that have already been approved on the calendar. Your requested rooms will show at the top, and the time frame you've requested will show in a yellowish color. If you see a **black or red X** in the box – there is already an event scheduled at that time. The system **will** allow you to proceed with entering your request even when a conflict is present. This will

likely slow the processing time of your request, and may result in the request being declined based on district policy. Please consult the district or educational institution on their policies regarding double booking.

For a **Recurring Schedule** follow the same steps as above with the exception of entering dates. The date range field will look like this:

Start Recurrence	<input type="text"/>		
Recurrence Pattern			
<input checked="" type="radio"/> Daily			
<input type="radio"/> Weekly	Recur every <input type="text"/> week(s) on:		
<input type="checkbox"/> Sunday	<input type="checkbox"/> Monday	<input type="checkbox"/> Tuesday	<input type="checkbox"/> Wednesday
<input type="checkbox"/> Thursday	<input type="checkbox"/> Friday	<input type="checkbox"/> Saturday	
<input type="radio"/> Monthly	<input checked="" type="radio"/> Day <input type="text"/> of every <input type="text"/> month(s)		
	<input type="radio"/> The <input type="text"/> first <input type="text"/> day <input type="text"/> of every <input type="text"/> month(s)	h(s)	
End Recurrence	<input type="text"/>		
<input type="button" value="Check Availability"/>			

## Recurrence Patterns:

- **Daily** – this is every day in the date range including weekdays and weekends
- **Weekly** – Use this for meetings on specific days of the week. Choose Recur every “1” week for your weekly meetings and then choose the day of the week as well
- **Monthly** – You can have a meeting on a specific date(like the 15<sup>th</sup>) of each month, or you can choose the second option which allows you to choose a floating date like the Second Weekday of Every 1 month. Choosing every 3 months would be a quarterly meeting and every 6 months for bi-annual meetings, etc.

Next you will select your **Organization**. Only the organization(s) you’ve been approved for will show in the list. You will be able to see ALL contacts with that group.
