

GBE - EMPLOYEE RIGHTS AND RESPONSIBILITIES

Essential to the success of ongoing school operations and the instructional program are the following specific responsibilities, which shall be required of all personnel:

1. Faithfulness and promptness in attendance at work.
2. Support and enforcement of policies of the Board and regulations of the School Administration.
3. Diligence in submitting required reports promptly at the times specified.
4. Care and protection of school property.
5. Concern and attention toward their own and the Board's legal responsibility for the safety and welfare of students, including the need to ensure that students are under supervision at all times.

School employees shall set examples that are an important part of the educational process. Their manner, dress, courtesy, and attitudes establish models that affect the development of young people. The Board expects its staff members to set exemplary standards, as well as focus on high expectations for teaching and learning per Policy GA - School Community Rights and Responsibilities.

Although there is no specific dress code for school staff, it is understood that in order to achieve our District goal, staff must serve as role models for students wearing appropriate attire worthy of the education profession and not detracting from our educational purpose.
