

GCI - PROFESSIONAL STAFF DEVELOPMENT OPPORTUNITIES

A program of in-service training will be established to provide an opportunity for the continuous professional and technical growth of the professional staff to implement the School Community Rights and Responsibilities.

Staff members will become knowledgeable regarding new developments and changes in the educational field as well as their specialized fields, and will utilize new and improved methods for teaching and learning.

Staff development opportunities will support the District's strategic plan and/or initiatives.

It shall be the responsibility of the Superintendent to implement appropriate staff development training and activities.
