

ELIGIBILITY

[EPPING SCHOOL DISTRICT - JJI - STUDENT ATHLETICS](#) (click to open)

In order to participate in interscholastic sports, the students must meet these eligibility requirements for participation in athletics, extra-curricular and co-curricular activities.

1) Academic Eligibility

Academics are the number one priority of all student athletes at Epping High School. It is the expectation that all students focus on school first. Athletes, extracurricular and Co-Curricular students must meet the Epping School District Student Grading and Reporting Guidelines.

Course Grades in the Previous Marking Period are used to determine Athletic/Extracurricular Eligibility	Athletic/Extracurricular Eligibility
4 courses with an overall grade of MC or better in all competencies	<p>Students who have completed all of their formative work and are in good academic standing will remain eligible and be granted a two week grace period to meet all competency requirements. Once this two week period has expired, and the student still has not completed the competency requirements, they will only be allowed to practice/participate with their team /club-organization until all competency requirements are met. Once the student completes all the competency requirements eligibility is reinstated.</p> <p>Students who do not complete formative work and are not in good academic standing due to Insufficient Work Submitted (IWS), will be given a two week grace period and will be eligible to practice however, they will not be eligible to participate in games or events until all competency requirements have been met.</p>

2) Athletes and Parents must attend a Mandatory Parent/Player Information Night

- A. Athletic Director will hold player/parent information nights that will include handbook policy information, player sportsmanship and behavior expectations, and fan behavior expectations at all contest.
- B. Parent and Player questions regarding season, and policies.
- C. Student is ineligible to participate in games until parent/player attend athletic information night.
- D. Parent/Player Information Nights to be posted on website, more than one summer and fall date will be available for parents/players to attend.

3) Updated Physical Examination on Record with Health Office.

A. Student athletes must have an up-to-date immunization record and a current physical examination signed, dated, and office stamped by a medical practitioner stating that the student is physically fit to participate in school sponsored sports. Students wishing to participate in sports are required to have a completed physical examination within one calendar year prior to grades 6, 9, and 11. Student athletes significantly injured or ill are also required to be re-examined in order to be eligible for athletic participation. Written permission must be received from the medical provider and parent/guardian for an athlete to return after a significant injury or illness.

4) **Health Insurance.** (School accident insurance form is available at SAU or in Health Office).

5) Complete Registration Online. (familyID.com)

A. Parents of a student-athlete must have registration form completely filled out online and all sections of read, understand and agree must be checked off for student to be eligible. Parents may make appointments with Athletic Director to complete the online registration process at the school.

6) **Complete a impact baseline concussion test prior to participating in school sponsored athletic team (every two yrs.).**

7) **Student in good standing in accordance with Epping School District's Student Academic Eligibility Guidelines, Student Behavior & Consequences Guidelines, and Attendance/Consequences Guidelines**
