

EPPING SCHOOL DISTRICT  
BUSINESS ADMINISTRATOR'S REPORT  
November 15, 2018

Forecast – The preliminary expense forecast for 2018-2019 shows a positive balance of \$75,443.

This forecast assumes that all departments will spend their budgeted supplies, books, software, equipment, etc.

The forecast will continue to change as the year progresses. Changes in placements and to IEP's throughout the year could lead to increased or reduced special education costs.

The Revenue forecast is showing a negative \$51,903. This is due to less Special Education Aid and Adequacy Aid (per the State estimate at this time).

Respectfully submitted,

Bonnie Sandstrom

\*Food service is an enterprise fund (self-sustaining) and any funds left at year end are retained in food service, to cover future food service equipment/repairs.

\*\*Federal and other grants are reimbursed for expenses as they are incurred for a net zero balance. Any funds remaining at the end of the grant are returned to the grantor.
