

Epping School District Child Find Clinic

The Epping School District will be holding a Child Find Clinic at the Epping Preschool on **Friday, 2/1/19 from 12:00 pm until 2:00 pm.**

The purpose of the Child Find is to screen the developmental skills of children between the ages of 2.5 to 5 (those not enrolled in Kindergarten) who may be in need of special education services.

The screenings are completed by school personnel and address the areas of motor skills, speech and language, vision, hearing and pre-academics.

If you think your child may have difficulties or a delay in any of these areas, please call Ashley Perron at 679-8003 extension 7103 to set up an appointment **(appointments are required).**

This service is free of charge and open to all Epping residents. All results are confidential.

SEE YOU THERE!

***** SNOW DATE 2/8/19 *****

Ongoing Child Find Program

School Administrative Unit # 14 which serves the Epping School District provides services to eligible educationally disabled students between the ages of 3 and 21 and evaluates potentially educationally disabled students at age 3. This district believes in early identification and maintains an active "Child Find" program. The special education team will maintain an "open referral" policy to screen or fully evaluate students in the areas of language, motor and cognitive functioning. These services are available to residents of Epping.

Child Find procedures are mandated by ED 1103.01 as stated in the New Hampshire Rules for the Education of Children with Disabilities.

Any questions regarding these services can be answered by calling the Department of Student Services at 603 679-8003 x 7103.
