

Teacher and Paraprofessional Substitutes

The Epping School District is looking for substitutes for teachers and paraprofessionals. Substitutes are especially needed at the middle and high school level.

The only requirement is a high school education. Mandatory attendance at a Substitute Orientation is required every school year.

Substitutes are paid \$85 a day if you are subbing for a Teacher or Paraprofessional.

If interested, pick up a substitute packet at the SAU office located at 213 Main Street, Epping NH, 03042 between the hours of 8:00 am to 3:00 pm
