

EPPING DISTRICT GOALS 2018-2020

LIFE READY GOAL:

- * To develop, implement and refine a **social/emotional, life management** program that prepares each student for life in the 21st Century. (June 2019)

CURRICULUM GOAL:

- * Based upon the district **Competencies and Performance Indicators**, each teacher/team will demonstrate completion of at least one unit of instruction that contains the following best practices: A Unit plan, differentiated lessons to meet the needs of various learners, common performance based assessments, Rubrics. (June 2019)

INSTRUCTIONAL GOAL:

- * Begin to use a well articulated **Multi Tiered System of Support** and to use **data** to refine targeted instruction for students not demonstrating mastery of competencies and Performance Indicators. (June 2019)

ASSESSMENT GOALS:

- * To develop **Rubrics** to measure performance indicators and competencies. (June 2020)
- * To complete the **Work Study Practice** implementation process. (June 2020)

TECHNOLOGY GOALS:

- * Develop and implement professional development to **enhance technology curriculum and support classroom technology Integration**, G Suite, PowerSchool, implementation of one to one technology and student Google portfolios. (June 2020)

ADDITIONAL GOAL:

- * To reduce the number of teachers out of school on school days by at least 50% through the use of five Early Release Days and after school opportunities for teachers.
