Important Update and Information April 1, 2020

Dear Epping School Community:

The Epping School District will be having their first remote School Board meeting on April 2, 2020 at 7:00 PM. It is important to the School Board that all Epping families have access to the meetings. At this meeting I will be making important recommendations to the School Board between now and May 4, 2020 and then, if needed, until the end of the 19-20 school year.

Here is the information that you need to know to participate in this public meeting. If you have cable TV, you can simply watch the meeting through the Channel 22 station. To access ETV online, go to: <http://townofeppling.com/etv/>. Should you want to listen via phone, please dial into the following number: 1-646-876-9923. The meeting ID# is 679670624 and the password is: 947856. Should you have a difficult time getting through, please continue to try.

Finally, if you wish to call in to ask questions, the number to dial is (603) 817-3885. We will take your name, question and submit it to the Superintendent or Board. Questions will be taken at the end of the meeting during the Public Forum.

On another important note, the Epping School District is working to ensure that we have correct family contact information in both systems; Power School and School Messenger. These systems communicate daily. Please take a moment to ensure that we have the correct information for you and your family. The directions are below:
