

PRIVILEGES REQUIREMENTS AND APPLICATION

Epping High School administration and faculty believe students benefit from increased opportunity for self-direction as they mature. Consistent with this belief, our students' eligibility for privileges increases as they progress through their high school years. Privileges are earned after an official Mid-Semester Update and after the Student Achievement Report at the end of each semester. Privileges may be rescinded at any time by the parent/guardian or by the school authorities if the student experiences academic, attendance, or behavioral difficulties or for failure to follow the school rules. All privileges may be suspended by the administration for safety/security reasons. The following privilege options are available to eligible students:

Open Campus for Seniors: "Open Campus" is the ability for seniors to come and go freely during the operational hours of the school day.

Delayed Arrival: Juniors and Seniors may arrive to school in time for FLEX block if they are assigned a 1st block study hall.

Early Dismissal: Juniors and Seniors may leave school after 3rd block if they are assigned a 4th block study hall.

Open Campus Lunch Privilege: Juniors and Seniors may leave school for lunch. Students must sign in and out through the main office. Students are not permitted to order food to be delivered or leave campus and bring commercially purchased food back to be consumed in the cafeteria.
