800-948-1120

On Retake Day, please bring your original proof photo sheet (the photo that came in the blue-striped envelope) and any original photo order you may have placed. We will use the proof photo sheet to identify your student for their retake picture. Include all prints and novelties from your original order so we know what items to replace with the retake picture. Retake photos cannot be pre-ordered online. If you would like to order a retake photo, please wait until a new proof arrives within 4 weeks from Retake Day.

We're here to help!

If you don't love your photo, reach out to our customer service team. Our quality-focused photographers will have taken multiple images of your student to choose from and we'd be happy to send you other proofs.
