Course Subject Area and Subcategory

Guidelines

- When writing a CPE Proposal, a Subject Area and Sub Category have to be chosen.
- The Subcategory must come from the Course Subject Area that you selected. You cannot mix and match, nor can you make one up.
- You may only choose one Course Subject Area and one Subcategory.
- For most courses, **Teaching and Learning and Professional Development** is the Course Subject Area and **Teaching Techniques and Strategies** is the Subcategory.
