PERMISSION TO PHOTOGRAPH/VIDEO/AUDIO TAPE

Dear Parent/Guardian:

Periodically, your child's picture may be taken for publication in the local newspaper or for special program presentations. Sometimes classroom teaching situations are video-taped/audiotaped for various purposes such as:

- Teacher training purposes – i.e., student teachers; for supervision
- In-school presentations/activities for student learning
- Publicity
 - Local newspapers, radio, television
- Special events
 - School board presentations
 - P.T.A. presentations
 - Presentations to community groups such as Chamber of Commerce, Kiwanis, Lions, Rotary

We encourage you to give Intermediate Unit 1 permission to include your child in this type of informational-educational release. This is one method of informing the general public about programs offered by Intermediate Unit 1 and helping teachers gain skills and techniques to improve their teaching ability.

Kindly check your preference below. You may withdraw your permission at anytime. To do so, provide written notification to your child's teacher.

_____ I give permission to photograph/video/audiotape my child **for classroom and therapy use only.**
