Subject: 2017-18 School Year Restraint Information System Collection Tracking –
3rd Quarter Reporting

The 2017-18 school year Restraint Information System Collection's (RISC) third quarter for data entry is open until March 31, 2018 as noted in the chart below. If your local educational agency (LEA) has had no restraints for the third quarter timeline, the reporting window for the zero reporting will be open from April 1 to April 15, 2018.

The system has been enhanced with quarterly requirements and gives LEAs greater opportunity to provide both more detail about restraints and to analyze trends in reducing the use of physical restraints on students. The Bureau of Special Education encourages LEAs to report the restraints in the RISC system in a timely manner rather than waiting until the end of each reporting quarter.

The below quarterly reporting window for the 2017-18 school year is included in this PENN*LINK for your convenience.

Quarter	Begin Date	End Date	Last Day to Report
1	07/01/2017	09/30/2017	10/20/2017
