SUBJECT: Indicator 13: Training Session for What Local Educational Agencies
Need to Know for Continuous Improvement for Cyclical Monitoring

In response to the accountability requirements under the Individuals with Disabilities Education Act (IDEA) of 2004, Part B State Performance Plans, the Pennsylvania Training and Technical Assistance Network (PaTTAN) will be providing a required training session for local educational agencies (LEAs) targeted for Compliance Monitoring for Continuous Improvement (CMCI) for the 2018-19 school year. The purpose of this training will be to prepare LEAs for the requirements of compliance monitoring as it relates to secondary transition and to highlight effective practices in secondary transition.

The targeted LEAs should plan on participating in a training webinar along with their transition support team. These team members could include, but are not limited to: special education directors, building principals, transition coordinators, and other educational staff involved in the administration and supervision of special education programs.

The webinar will be held on September 7, 2018 from 9:00 – 11:00 a.m. Registration is available on PaTTAN's website at www.pattan.net. For questions concerning the Indicator 13: Training Session, please contact Hillary Mangis, Education Consultant at the PaTTAN Pittsburgh Office, at 800.446.5607, ext. 6878 or hmangis@pattan.net. The following LEAs are required to participate in this training session:
