SUBJECT: Indicator 13: Ensuring Success and Compliance

In response to the accountability requirements under the Individuals with Disabilities Education Act (IDEA) of 2004, Part B State Performance Plans, the Pennsylvania Training and Technical Assistance Network (PaTTAN) will be providing a required training session for local educational agencies targeted for Compliance Monitoring for Continuous Improvement (CMCI) for the 2017-18 school year. The purpose of this training will be to prepare local educational agencies for the requirements of compliance monitoring as it relates to secondary transition and to highlight effective practices in secondary transition.

The targeted local educational agencies should plan on participating in a training webinar along with their transition support team. These team members should include, but are not limited to: special education directors, building principals, transition coordinators, and other educational staff involved in the administration and supervision of special education programs.

This webinar will be held on September 7, 2017 from 9:00 to 11:00 a.m. Registration is available on PaTTAN's website at www.pattan.net. For questions concerning the Indicator 13: Ensuring Success and Compliance training, please contact: Hillary Mangis, Consultant, at 800.446.5607 ext. 6878 or hmangis@pattan.net; or Michael Stoehr at 800.446.5607, ext. 6864 or mstoehr@pattan.net.
