SUBJECT: Special Education Plan Information for **Phase 3** School Districts

The Pennsylvania Department of Education (PDE) is responsible for ensuring that all special education programs in schools are appropriate and effective. To do this, school districts must submit a Special Education Plan every three years to PDE as required under 22 PA Code 14.104.

The school district's Special Education Plan focuses on plans generated from compliance monitoring, professional development activities, and training necessary to provide appropriate programs to students with disabilities. School districts in Phase 3 will submit their full plans by **May 1, 2018**, via the Comprehensive Planning Web Application. Training regarding the Comprehensive Planning Web Application was held in November of 2016, prior to the extension provided under Act 118. Act 118 of 2016 amended the Public School Code to provide each school entity with one additional year to submit to the Secretary of Education the three-year professional education plan as required under 24 P.S. § 12 1205.1(a).

If you were unable to attend the training provided last November or need a refresher, the link provided below will allow you to review the recording of those trainings:

We recognize your time and effort required to complete the Special Education Plan. Your efforts in doing so will help to continually improve programs for the students we serve. Should you have any questions regarding this information, please contact Amy Deluca, in PDE's Bureau of Special Education, at amdeluca@pa.gov or Cortney Verner at cverner@pa.gov.
