SUBJECT: Special Education Plan Webinar for **Phase 2** School Districts

The Pennsylvania Department of Education (PDE) is responsible for ensuring that all special education programs in schools are appropriate and effective. To do this, school districts must submit a Special Education Plan every three years to PDE as required under 22 PA Code 14.104.

Act 118 of 2016 amended the Public School Code to provide each school entity with one additional year to submit to the Secretary the three-year professional education plan as required under 24 P.S. § 12-1205.1(a). As a result of this extension, all **Phase 2** school districts will be required to only update their Program Profile and check a box that will indicate submission. Prior to checking the box, please make sure that all Special Education Plan Revision Notices (orange boxes in the program profile) have been submitted.

Training regarding the Comprehensive Planning Web Application and directions for Phase 2 school districts will be held via a webinar on November 13, 2018 at 1:00 p.m. This year's session will focus on submitting an updated Program Profile and selecting an affirmation checkbox. The webinar should last approximately 45 minutes and will be recorded. The link for the webinar can be found here: <https://paiu.zoom.us/j/343242236>

You do not need to pre-register for the event.

We recognize the time and effort required to update the Special Education Program Profile. Your efforts in doing so will help to continually improve programs for the students we serve. Should you have any questions, please contact Amy Deluca, in PDE's Bureau of Special Education, at amdeluca@pa.gov or Cortney Verner at cverner@pa.gov.
