SUBJECT: State Performance Plan Data Requirements - Postsecondary School Survey (Cohort 2 Exit)

The accountability requirement under the Individuals with Disabilities Education Act of 2004 mandates that each state is to determine the extent to which students are achieving transition outcomes (State Performance Plan – Indicator 14). To meet the federal reporting requirement, each local educational agency (LEA) is mandated to administer Exit-and Post-School Surveys to students who have graduated, aged out or drop out with individualized education programs once over a five year period, based on the LEA's assignment to a targeted sampling year.

For 2016-17, LEAs assigned to target sampling year #2 are required to administer Exit Surveys. These same LEAs will be required to complete the Post-School Surveys in the specified survey window during the 2017-18 school year.

The following information specifically addresses Exit Survey administration for 2016-17. LEAs assigned to target sampling year #2, as listed below, are required to address the following:

- Administer the Exit Survey for all student leavers (graduates, dropouts and students who reach maximum age) who have individualized education programs.
- Participate in the Pennsylvania Post School Outcome Survey Overview for Cohort #2 webinar, which is scheduled for September 27, 2016, from 10:00 a.m. to 11:30 a.m. Information concerning the administration of Exit Surveys will be addressed at the time. Registration is required and may be accessed at www.pattan.net.
- Attend the February 15, 2017, Exit Survey training videoconference from 10:00 a.m. to noon. Registration opens after January 15, 2017, is required, and may be accessed at www.pattan.net.

For questions about this process, please contact Paula Schmitt, Education Consultant with the Pennsylvania Training and Technical Assistance Network - Pittsburgh office, at 800.446.5607 ext. 6858 or via email at pschmitt@pattan.net. Your assistance in assuring compliance with these requirements is greatly appreciated.

The following LEAs are assigned to the 2016-17 target sampling year #2:

Abington SD
