

**Chelsea High School
Student iPad Insurance**

Deadline to submit: Friday, September 13, 2019

(Coverage: August 26, 2019 – June 11, 2020)

Insurance must be renewed each year

Students and families have the option of purchasing insurance to help cover accidental damage to their iPad. This insurance will help to cover the cost of repairs if the iPad is ever damaged.

The iPad MUST remain in the protective case otherwise all insurance is voided.

Insurance cost will be \$25 paid immediately. There is a \$25 deductible for the first damage claim to be paid if there is a damage to the assigned iPad. If there is a second damage claim during the school year, the deductible is \$50.

If the student's iPad is lost or stolen, there is a \$100 deductible to get the iPad replaced. On a second incident the student will be responsible for the **full cost** of the iPad.

If the student has multiple claims for repair on their iPad, then the insurance premium will be increased the following year.

If you waive the Insurance, please be aware **that you are still responsible if the iPad is broken**. Approximate costs for an Apple replacement screen is about \$100 and full iPad replacement is approximately \$397.

iPads and keyboards must be returned by the students by their last official day of school for the year. Students will be assessed a \$20 late fee for iPads and a \$5 late fee for keyboards if they are not returned on time.
