March 6, 2020

Dear North Creek Families,

We began our camping themed March is Reading Month festivities this week! Our readers are excited to try to reach our building wide goal of reading 20,000 books this month. You can help us by making sure your child has time to read each day. It is such an important habit for our learners throughout their life.

Tonight is Reading Night at North Creek. PTO is sponsoring this event, which begins at 6:30. Please join us for a fun evening of camping themed reading activities together! Our Book Fair will be open during this event and remain open March 9 - 12.

## **Registration Deadline for Young 5's and Kindergarten: March 25**

## **NEW! Report Cards will be Online**

We have exciting news! Our report cards will be online starting at the end of this trimester. That means we will be saving trees and no longer sending home a paper copy of student report cards. You can count on us to send home a letter with instructions for logging into your child's online account sometime next week.
