

Message from the Meadows

...a weekly update from Mrs. Battaglia

April 30, 2021

Dear South Meadows' Families,

What a great week. My heart was full on Monday welcoming so many of our students back into the building. I understand and fully appreciate that some families still have concerns; please know that we are doing our very best to help over 350 kids keep themselves and each other safe! I am extremely proud of all of them.

Arrival/Dismissal

Thank you for your patience this week; especially Monday morning!! I am thrilled with how well things are going.

Reminders:

- At arrival and dismissal, please PULL ALL THE WAY FORWARD in the parking lots.
- Upon arrival, please have your child exit your car as quickly and safely as possible on the sidewalk side of the vehicle.
- All car pick ups should be done only in one of our parking lots using your family car tag number.

Health and Wellness

Thank you for continuing to fill out your child(ren)'s daily health screener and thank you for keeping them home and checking in with your doctor when they are exhibiting any signs of illness.

Teacher Appreciation Week

This coming week, May 3 - 7, is National Teacher Appreciation Week. Please join me in recognizing and thanking your child's amazing educator. I am beyond proud of the work the South Meadows' staff does for our students! Special thanks to our PTO for helping celebrate and spoil our teachers this week!

School Pictures

We still have some virtual families who have not picked up school pictures. You can stop by the school anytime between 7:30 and 4:00 and pick them up from the office:)

[New Girl Scout Program](#)

Have a good weekend,
Mrs. Battaglia
