May 14, 2021

Dear South Meadows’ Families,

We have been so excited to see the sun and have warmer temperatures this week! I hope the weekend brings all of you sunshine and joy!

**M-Step Testing**
We continue our Spring assessments this coming week with make-ups for 5th grade and moving on to ELA for 4th Grade. Our 3rd Graders will also begin their M-Step testing this coming week.

**Media Center Books**
Please help us get all of our books back into the building:) If you would remind your child to check bedrooms, backpacks, bookshelves etc. and return all school media books, we would greatly appreciate it. Mrs. Bradley will send missing notices again at the end of next week.

**Music Booster**
Music Boosters are looking to expand their reach to elementary school!! Please read this letter for more information!  

**5th Grade Ukuleles**
All 5th graders should plan to return their ukuleles this week. (Virtual families can drop them at the office) All broken or missing ukuleles will be sent an invoice for replacement cost.

**Maturation**
5th Grade families and as well as families of 4th grade girls have been notified that our annual Maturation lessons will be happening on Friday, May 21st. Virtual families, we will be sharing a time and link for your child to join their lesson.

Have a wonderful weekend,
Mrs. Battaglia
