Dear North Creek Families,

Well, here comes the sun! We are grateful for the sunshine this week, but it is definitely hot. Please remember to send a water bottle full of water for your child to school each day. They can be refilled with the sinks in the classroom, but our drinking fountains are still closed.

Virtual Art Display

Our elementary artists have been busy working on a special project this spring. In collaboration with the Chelsea District Library, Mrs. Olsen arranged for the work and writing of our artists to be on display virtually at the link below. Please consider visiting!

Mask Update

Considering recent updates to mask mandates, starting on Monday, our students will be able to take a break from their masks at recess. They will remain in a "zone", as they have all year, with their own class. If you would like your child to keep their mask on at recess, please talk to your child about that at home. Students and staff will continue to wear masks inside the building for now.

2021 - 2022 School Year

Believe it or not, the planning for next year has been in motion for a few weeks now. If your family is moving or you know your child will not be attending school in the Chelsea School District in the fall, please send an email to me so I have the information for planning and placement.
