

Message from the Meadows

...a weekly update from Mrs. Battaglia

June 4, 2021

Hello South Meadows' Families,

Happy Friday; our last Friday for the school year! Please continue to send a daily water bottle with your child even into this last week! Thank you.

End of Year Dates

This coming final week, we will finish up and include some end of year celebrations for our students:)

Monday June 7 - Thursday, June 10 - [Spirit Week](#):

- Monday - PJ Day
- Tuesday - Favorite Sports Team attire
- Wednesday - 80s Day
- Thursday - Beach Day (as they head to the "BEACH")

Tuesday, June 8 - Grade Level Field Activities

Wednesday, June 9 - Grade Level Picnic Lunches

Thursday, June 10 - Last Day of School and 5th grade send-off

We have had a couple questions about parents attending these events. We will continue the mitigation efforts we have in place for the year and no outside adults will be able to visit.

Thank you for your understanding and support of our ongoing efforts for safety.

Summer Learning

If you are looking for support or to continue your child's learning this summer, we have compiled an amazing list of Summer Learning Opportunities for all of our families to access! There will be resources and activities in the areas of Reading, Writing, Math, Science, Social Studies and Social/Emotional, and all of the activity grids will be updated every two weeks during the summer. In addition, your child will continue to have access to his/her Moby Max account throughout the summer. You will be able to access these resources on our district & school homepages or have them delivered right to your email every 2 weeks. If you are interested in receiving these resources in your email, please sign up using [this form](#).

HotSpots

If you are one of our families issued a district hotspot for the year, please send it into school with your child. Virtual families, please return yours when you return the iPad on Thursday the 10th.

iPad Return/Collection

Virtual Families - Please look for information from your classroom teacher.

Reminder for all: if you have misplaced or damaged your iPad, charging cords, and/or chargers, the replacement/damage cost, will be collected as needed.

5th grade Families

Mr. Angel has asked me to share this [information](#) regarding next Fall's 6th grade camp experience!!

Have a wonderful weekend,
Mrs. Battaglia
