

Canton Public School Performing Arts: Music, Theater, Dance

Our Vision:

- To develop students who are dynamic musicians, actors, and dancers.
- To use the performing arts curriculum to encourage creative and critical thinking
- To use the performing arts as a tool in building confidence which can be transferred to all academic areas
- To use the performing arts to connect students to the community in a compassionate way

Our Mission:

- Use social emotional learning experiences developed in the performing arts to guide academic learning
- Reach out to every child in the district by participating in and being an audience for music, theater, or dance experiences. Ensure every child has access to performing arts curriculum.
- Provide opportunities for students to express themselves through the performing arts by creating a safe space for students to grow. Encourage students to serve the community through the performing arts

Our Core Values:

- Academic excellence and rigor
- Inclusive and engage community
- Respectful and responsible relationships
- Continuous reflection and improvement
