

Communication and Information

There are several ways to communicate with and receive information from the PTO at South School.

1. "PTO News" has a spot on the school's website
http://www.edlinesites.net/pages/South_Stoneham
2. The PTO sends out a weekly email blast (see sign up information on a separate sheet in this packet)
3. The PTO has a Facebook Page "South School Parents". It is a 'Closed Group' on Facebook so you have to 'Ask' to be added.
4. Paper forms will be sent home at times. (We try to limit the amount of paper copies for obvious environmental reasons).
5. The PTO has a mailbox hanging on the wall just outside the Main Office at school.
6. You can contact our Officers directly.
