

SPARTAN STRONG Program

The **SPARTAN** (Screening, Prevention, Assessment, Referral, Treatment, Acceptance and Navigation) **STRONG Program**

A therapeutic resource for Stoneham Public School Students in grades 6-12, who are impacted, in some way, by substance use and/or mental health issues.

Services are offered in the Central Middle School and High School. These services are confidential and voluntary. Students can be referred through the Guidance Office. Students will be assessed using a series of screening tools to identify risk related to behavioral health issues.

The SPARTAN STRONG Mission

To promote health, wellness and resiliency for students impacted by drug, alcohol use and behavioral health issues through prevention, education, counseling, and referrals to school and/or community based treatment.

The SPARTAN STRONG Vision

A strong, resilient and empowered drug free school community. A confident student body who effectively utilize coping skills to address various barriers to healthy development, learning and wellness, to achieve success.
