

Principal's Message
January 7, 2019

Dear Stoneham High School Families,

The Stoneham Coalition Against Substance Abuse in partnership with Stoneham Public Schools invites you to attend an evening with Sam Drazin. The event will be held on Tuesday, January 8, 2019, from 6:30-7:30 pm at Colonial Park School. Sam Drazin is an educator born with Treacher Collins Syndrome, a rare congenital disorder resulting in both facial anomaly and hearing loss. Sam underwent seven surgeries as a child while attending the local public school. Sam presents to a wide array of audiences across the country sharing his story and facilitating meaningful conversations around what it means to be different. Sam connects his experience to the character Auggie in the book *Wonder* who had the same syndrome. His presentation with parents/guardians focuses on disability awareness, empathy and how to talk with your children about differences. In addition, Sam will be visiting with students at the three elementary schools.
