

Principal's Message
April 8, 2019

Dear Stoneham High School Families,

Parents and guardians of seniors- Stoneham Scholarship Applications were given to all seniors last Monday. Those students who submitted part one were given part two. Part two of the application is due to Mrs. Polizzi by 3:00 on Thursday, April 11.

The Guidance Department is hosting a College Panel this Wednesday, April 10, at 6:30 pm in the high school cafeteria. College-bound juniors and junior parents/guardians are encouraged to attend. An admissions counselor from UMass. Lowell will present information related to the college application process, as well as by a panel of current SHS seniors who will share their own experiences and recommendations.

Stoneham Ford, in conjunction with the Ford Motor Corporation, will host Drive 4 UR School on Wednesday, May 1, from 2:45 until 5:30 pm, at Stoneham High School. For every car test driven that afternoon, SHS will receive \$20.00. In the past, we have been able to use the proceeds to purchase water filtration systems, available to all students, and for supplies for our advisory sessions. Please support this event!

Lawn signs are now available in the SHS Office or by contacting Lisa Gallagher at lgall3565@gmail.com. Signs are \$10 and all proceeds go to the All Night Graduation Party.

Parents and Guardians of freshmen, sophomores and juniors: the Stoneham High School All-Night Graduation Party (ANP) is a tradition that happens on the night of graduation. This wonderful celebration started more than twenty years ago. This year, graduation is on Friday, June 7. The All-Night Party Committee is in need of parent/guardian volunteers to help make this night a success. The decoration committee, graduation sign sales committee, and set-up and clean-up committees are all in need of volunteers. This is a perfect opportunity for you to get involved with the ANP before your student's senior year. Please call or email Lisa Gallagher (lgall3565@gmail.com or 781-632-2050), if you would like to volunteer.

Is your student interested in exploring a trade? Northeast Metro Tech is offering free, four-week Saturday sessions for area high school students in Grades 9-12 who would like to learn more about vocational career options. Students may choose one two or three sessions. Options include automotive, cosmetology, culinary, HVAC, electrical, plumbing, carpentry and several more! There are three sessions to choose from, with a start dates of April 6. The final sessions will take place on April 6, April 13, April 27 and May 4. Interested students should make an appointment with their counselor, or see Mrs. Polizzi, guidance secretary, for more information.

The SHS Office will be closed on April 15 and 19.

Happy Passover and Easter to families celebrating next week!

Donna Cargill

Principal

Stoneham High School
