Want to Help?

Boys Varsity Hockey is looking for someone to DJ there home games at the stoneham arena. They don't need to have the equipment to DJ. They will work with them on music if they want and can use the PA system at the rink. The boys are looking for someone to play music before the game and then, just like at the NHL, play until the puck drops.

Anyone interested can contact SHS Athletic Department

- **Spartan Sportsmanship:** Stoneham High Athletics has been awarded the MIAA Sportsmanship Award. A great tribute and recognition to our coaches and student athletes who model good sportsmanship on and off the field and win or lose. **Great job Spartans!**
- **All-scholastic team:** **Samantha Caldarelli, Amanda Caldarelli and Deshawn Chase** have been recognized by the Boston Globe and the Boston Herald for their high performance as student-athletes by awarding them selection to the All-Scholastic team.

- **Coach of the Year:** Big shout out and congratulations to **Sharon Chapman** who has been selected as a Boston Globe Coach of the Year.
- **Community Service:** The **SHS Youth Action Coalition** held a Sticker Fundraiser in the month of December to help address stigma and support those in our Stoneham Community suffering from substance use disorder or in recovery. Proceeds from the sales of stickers will go to creating recovery baskets to support our fellow neighbors this holiday season who are suffering from addiction. The high school group also sponsored a winter craft event at Central Middle School to promote positive role modeling and a safe, healthy and constructive use of free time.
