

March 29, 2020

Greetings,

I hope this message finds your household well at this time and that you are able to make the best of this unbelievable situation. Maybe you have been out for household walks, maybe binged through a missed TV show or movie series, puzzle time or game night, cleaned out that closet or begun that Spring cleaning, maybe read that book you have always wanted or that recipe just waiting to be cooked. I hope you are all finding something to provide a bit of light, humor, family, health and wellbeing at this time.

This mailing outlines student expectations for next week as well as informing that we will hold course selection for the 2020-2021 school year the week of April 6 - April 10. Please expect more detailed information and directions later this week.

I will continue to send you updates and information as soon as possible so as to keep you best informed.

To start this next week I can think of no better way than with a simple message from the SHS faculty to you, our students and our school community:
