

Principal's Message

9/27/2020

Stoneham High School is in the HYBRID Model. Monday, September 28, is a Day 3b.

Hello,

I am pleased to say that all in all it was a successful transition back to school with the new safety requirements and HYBRID cohort schedule. Students have responded well with wearing masks and following the one way walking routes. Socially distancing requires more focus and I am sure will improve as students become more comfortable and aware of these requirements as part of the normal day to day.

The best part of the week was hearing the sounds of education. Hearing the students engaging with each other and their teachers in the learning process. It was great to hear the sounds of learning in each department area and their contents begin to come to life. It brought an excitement and hope for continued momentum of our return to learning.

My hope is that over the next couple of weeks our continued momentum with adherence to our safety guidelines and HYBRID schedule will allow for increased school opportunities such as clubs and extracurricular activities.

It will certainly be a welcome sight with the return of athletics next weekend and hopefully a premonition of more to come.

Nurse's Corner / Health Updates

SPS COVID Policies [UPDATE HERE](#)

Student dismissals

Visitors to SHS are by appointment or invitation only. For student dismissal pickup and Main Office notification please email (ewillard@stonehamschools.org) or call (781) 279-3810. Do not come in to pick up. We will send your student out to you.

School hours / student drop off

School doors are open for student drop off beginning at 7:45am. All students must report to the Cafeteria until 8am. Students must report to classrooms after 8am.

Full Remote By Choice

Communication

Official Stoneham High School Facebook page:
<https://www.facebook.com/Stoneham-High-School-113064453732609>

SAT's

The SAT's scheduled for October 3, 2020 have been canceled. Further information will be shared whether we will offer testing for the remaining available test dates of November 7, March 13 and June 5.

School Grounds

To ensure a safe and secure school setting all school grounds will be closed for public use during school hours.

This includes all athletic fields, track, tennis courts, parking lots and all walkways and driveways.

School hours are considered 7:30AM - 8:00PM Monday - Saturday.

We apologize for any inconvenience, but for the general safety of our students and in order to be compliant with state safety guidelines for field capacity we must restrict use of school grounds to students and SHS faculty only.

School grounds will be considered open for public use on Sunday's.

If you have any questions or concerns please contact Athletic Director David Pignone or Principal Bryan Lombardi

Supporting Students / Student Supply Bags

Stoneham High School students received Student Supply Bags to support their remote learning. Under the organization of our Academic Department Supervisors and with help from our student Peer Leaders 650 bags, as you see below, were created for all of our students. Spartans supporting spartans!

It is recommended to put supplies in a stronger material bag or draw string bag
