

# Principal's Message

10/12/2020

Greetings,

I hope you had an opportunity to enjoy and partake in this past three day weekend. The weather was splendid and certainly allowed for a variety of outside Fall activities. As we enter our fourth week of school our students and faculty are gaining momentum with our hybrid learning model of alternating remote and in person learning.

Parents and guardians are encouraged to routinely check their students PowerSchool account for academic progress and to contact teachers directly if ever any questions or concerns. Please see below for a date and time for our upcoming Parent Night.

This past weekend was also a nice reminder of the joys of working with a high school. Our campus was alive with home soccer games and Seniors painting their individual parking spots. It was great to see and hear the students having fun and being creative. See some of the fun and results....Mark Where You Park video [HERE](#)

## Counselors Corner

### Reminder Seniors:

College application season is in full swing, and your school counselors want you to know that

we are here for you! If you have not already done so, please join the Guidance Google Classroom for the Class of 2021.

<https://classroom.google.com/c/NzU5MzcxMjgyMjJa?cjc=znkehgf>

In the classroom, under Classwork, you will find resources, including a comprehensive college checklist, tools to keep you organized, and both written instructions and screencastify videos to help you every step of the way. In addition to the resources available on Google Classroom, the counselors are available to meet with students (and parents/guardians) via phone and Google meet, as well as available for questions via email. Please reach out!

The school counselors have offered common application seminars and will continue to offer virtual workshops that will be posted in the classroom. We are also hosting a **virtual night event for Seniors and Parents/Guardians on Tuesday, October 13 @ 6pm which will consist of a presentation, with a Q&A to follow.**

Last, College Admission Representatives are offering virtual meetings. Students can register and find Zoom links to these meetings on Naviance.

Please don't hesitate to reach out if you have questions.
