

Principal's Message

11/15/2020

Good evening,

Much has certainly changed since my last mailing. As a result of the recent confirmed COVID cases within the Stoneham High School community we quickly transitioned to our Full Remote Learning platform. Though short term, the closure with a hopeful return to the Hybrid Learning model for Monday, November 30, results in all LIVE / in person student activities cancelled until further notice. Remote activities can certainly continue!

A big thank you and great job to our Fall student athletes whose remaining games and competitions were cancelled for the remainder of the season. From the beginning of the season to the end, you weathered the ups and the downs and still consistently held your heads high, demonstrated great sportsmanship, competed hard and represented yourselves and Stoneham High School exceptionally.

Picture day has also been cancelled and will be rescheduled as soon as safely permitted. Further information will follow.

Reminder to students to utilize the extended time of the remote schedule as a time in the day to independently complete assigned course work and to actively connect with their teachers, as requested or required, with specific meetings. Teachers are available upon request to support students or may pre-schedule a student during these identified times.

We are entering a challenging time with students entering a new learning format and in a climate with increasing COVID cases. I encourage students to actively engage and participate in their courses and with their teachers during this time. Strong engagement will result in positive academic success. I also encourage students to be diligent and cognizant with adhering to COVID safety requirements of wearing a mask, social distancing and frequent hand washing and sanitizing when outside of their houses. We have had a strong start to the school year with seven and a half weeks in hybrid learning and can hopefully continue again on November 30 by doing our part.

Be smart and stay safe!

Save the date

11/17/2020: Q1 Ends 11/18/2020: Q2 Begins 11/26 - 27/2020: Thanksgiving day Break / No School 12/2/2020: Parent Teacher Conferences (Details and Sign up to be released 11/22/2020))
